Zachary Batist

AREAS OF EXPERTISE

- Research data management
- Open science policy & infrastructure
- Bibliometrics & meta-research
- Empirical study of research practice
- NLP & computational text analysis
- Network analysis
- Qualitative data analysis
- Pan-disciplinary experience and outlook

CURRENT POSITION

2025 – **Postdoctoral Researcher**
Covid-19 Immunity Task Force Databank
Department of Epidemiology, Biostatistics and Occupational Health
School of Public and Global Health, McGill University

EDUCATION

2023 **PhD**, Faculty of Information, University of Toronto
Archaeological data work as continuous and collaborative practice

2015 **MA**, Department of Anthropology, McMaster University
Obsidian Circulation Networks in Southwest Asia and Anatolia: A Comparative Approach

2012 **BA**, Directed Interdisciplinary Studies, Carleton University

2009 **DEC**, Social Sciences, Dawson College

PAST POSITIONS

2018 – 2023 **Research Assistant**
E–CURATORS: Pervasive Digital Curation Activities, Objects and Infrastructures in Archaeological Research and Communication
Faculty of Information, University of Toronto

2016 – 2021 **Database Manager**
Stelida Naxos Archaeology Project

2007 – 2009 **Research Assistant**
Molecular Pharmacology Laboratory
Lady Davis Institute for Medical Research

RESEARCH OUTCOMES

AWARDS & HONORS

2014 **Robert P. Wolff Thesis Prize**
Society for Philosophy & Culture, McMaster University

2012 **Dean's Honour List**
Carleton University

2012 **Michael Kelway Oliver Scholarship**
Carleton University

GRANTS & FELLOWSHIPS

MAJOR GRANTS

2026 **CIHR Project Grant**, Priority Area: Pandemic Preparedness and Health Emergencies Research. Deriving insights for research data sharing from a large-scale data sharing initiative in Canada. ($100,000)

2019 – 2021 **SSHRC Doctoral Fellowship**. Archaeological data curation as continuous and collaborative practice. Award ID: 752-2019-2233. ($20,000)

MINOR GRANTS

2019 **Research Travel Grant** ($500)
Faculty of Arts and Science, University of Toronto

2017 **Joseph and Maria Shaw Graduate Student Travel Award** ($500)
The Archaeology Centre, University of Toronto

2015 **McMaster University Travel Scholarship for OpenCon 2015** ($2500)
McMaster University Library, McMaster University

2015 **Edith M. Wightman Travel Scholarship** ($1000)
School of Graduate Studies, McMaster University

2015 **Travel Assistance Grant** ($500)
School of Graduate Studies, McMaster University

2015 **Graduate Student Travel Award** ($120)
Archaeological Institute of America

2014 **McMaster University Travel Scholarship for OpenCon 2014** ($2500, declined)
McMaster University Library, McMaster University

2011 **Full Tuition Scholarship** (declined)
Digital Humanities Summer Institute, University of Victoria

TEACHING

TEACHING ASSISTANT

2020 **Curatorial Practice** (MSL 2000)
Faculty of Information, University of Toronto

2017 – 2020 **Representing, Documenting, and Accessing the Cultural Record** (INF 1321)
Faculty of Information, University of Toronto

2017 **Information Policy, Regulation and Law** (INF 2181)
Faculty of Information, University of Toronto

2016 **Archaeology and Popular Culture** (ANTH 2PC3)
Department of Anthropology, McMaster University

2014 – 2015 **World Archaeology** (ANTH 2WA3E)
Department of Anthropology, McMaster University

2012, 2015 **Introduction to Anthropology: Identity, Race and Power** (ANTH 1AB3E)
Department of Anthropology, McMaster University

2013 **Introduction to Anthropology: Sex, Food and Death** (ANTH 1AA3)
Department of Anthropology, McMaster University

WORKSHOPS & SHORT COURSES

2022 March **Using Qualitative Data Analysis Software**
The Ethnography Lab Methods Café: Software in Ethnographic Research Methods
Department of Anthropology, University of Toronto

2018 January **Designing and Implementing Relational Databases**
Archaeological Information Interest Group, The Archaeology Centre, University of Toronto

PRESENTATIONS

INVITED PRESENTATIONS

2026 March **Investigating archaeological information commons as coordinated, collective and community-driven action**
Digital Archaeology and Heritage Lab Digital Lunch Series
Department of Archaeology, University of York

2025 December **Archaeological Data Work in Practice**
Digital Heritage Seminar, Instructed by Piraye Hacıgüzeller
Antwerp Cultural Heritage Sciences (ARCHES), University of Antwerp

2025 October **Open Data in Practice**
INF 649: Digital Curation, Instructed by Ilja Frissen
School of Information Studies, McGill University

2025 April **Articulating data harmonization as pragmatic, collaborative experiences**
McGill Clinical and Health Information Research Group
School of Population and Global Health, McGill University

2024 November **Curating archaeological research data in practice, from the field to the archive**
INF 649: Digital Curation, Instructed by Ilja Frissen
School of Information Studies, McGill University

2024 October **Exploring collaborative practices in archaeological software development**
A coffee talk for Dr. Jean-Baptiste Poline and colleagues
Neuro Data Science ORIGAMI Lab, McGill University

CONFERENCE PRESENTATIONS

2026 June Batist, Z. **Where do we draw the line? On legitimate uses of AI and open information commons, and commitment to community values.** Paper to be presented at the 2026 Implementing New Knowledge Environments (INKE) Gathering. Canadian Society for Digital Humanities / Digital Humanities Summer Institute, Université de Montréal.

2026 April Batist, Z, Roalkvam, I & Lund, J. **A Protocol for Analyzing Citational Practice in Viking Age Archaeology.** Citational Politics and Practices in Viking Age Archaeology and Beyond. Department of Archaeology, Conservation and History, University of Oslo.

2026 April — Roe, J., Batist, Z, Yates, J.A.F. & Titolo, A. **archaeo.social and archaeo.dev: decentralised, collective digital infrastructure for archaeologists.** 53rd Computer Applications and Quantitative Methods in Archaeology Conference. Vienna, Austria.

2023 December — Batist, Z. **Does not compute! Accounting for social and situated experiences while integrating and analyzing obsidian sourcing data.** Paper presented at ArcheoFOSS XVII – Open Science and Archaeology: Archiving the Knowledge. University of Turin.

2023 February — Batist, Z. **Documenting the collaborative commitments that support data sharing within archaeological project collectives.** Paper presented at Digital Archaeology Bern 2023. Bern Computational and Digital Archaeology lab, University of Bern.

2021 June — Batist, Z & Roe, J. **Open archaeology: a survey of collaborative software engineering in archaeological research.** Paper presented at the 49th Computer Applications and Quantitative Methods in Archaeology Conference. Limassol, Cyprus.

2019 September — Batist, Z. **Distributing Knowledge Of Digital Workflows Via Workshops And Support Groups.** Lightning talk presented at Our Networks, Re: Infrastructure. Toronto.

2019 October — Batist, Z. **Untangling and extending the discursive relations mediated by archaeological data through grounded research.** Paper presented at On shifting grounds – the study of archaeological practices in a changing world, COST-Arkwork and the Department of History and Archaeology, University of Crete. Rethymno, Crete.

2018 April — Batist, Z. **Documenting archaeological knowledge construction as socially-embedded information practices.** Paper presented at PhD Research Days 2018, Faculty of Information, University of Toronto. Toronto, Ontario.

2018 March — Batist, Z. **Documenting archaeological knowledge construction as distributed information practices.** Paper presented at the 46th Computer Applications and Quantitative Methods in Archaeology Conference. Tübingen, Germany.

2017 May — Batist, Z & Dallas, C. **A view from the bridge: human- and thing-centred approaches to research practice, disciplinary discourse and local engagement with the archaeological record.** Paper presented at TAG (North America) 2017 - The Medium is the Message: Media and Mediation in Archaeology. Toronto, Ontario.

2017 March — Carter, T, Campeau, K, Batist, Z, Garfinkel, Y, Rosenberg, D, Rowan, Y & Streit, K. **Social Interaction at Distance Over the Long Term: Obsidian Sourcing from the Southern Levant (9th – 4th millennia cal BC).** Paper presented at the Society for American Archaeology 82nd Annual Meeting. Vancouver, British Columbia.

2017 January — Batist, Z. **Identifying Obsidian Procurement Habits during the Pre-Pottery Neolithic in the Levant using Network Analysis.** Poster presented at the Archaeological Institute of America 118th Annual Meeting. Toronto, Ontario.

2015 January — Batist, Z. **The Database of Obsidian Sourcing Studies (DObsiSS): Using Git for Collaborative Management of Archaeological Data.** Poster presented at the American Archaeological Institute 116th Annual Meeting. New Orleans, Louisiana.

2014 March — Batist, Z. **An Examination of Obsidian Circulation Patterns in Terms of Relational and Geographical Distance in Southwest Asia and Anatolia from the Epi-Palaeolithic to Chalcolithic Periods (14000 – 5700 B.P.).** Paper presented at Archaeological Sciences and the Ancient Mediterranean Environment. The Archaeological Centre, University of Toronto.

2014 January — Batist, Z. **Using Network Analysis to Examine Relative Resource Procurement Strategies in Anatolia and Southwest Asia from the Epipaleolithic to Chalcolithic Periods (14,000 – 5700 BP).** Paper presented at the American Archaeological Institute 115th Annual Meeting. Chicago, Illinois.

2013 November — Freund, KP & Batist, Z. **Tracking the Circulation of Sardinian Obsidian using Network Analysis: Lithic Procurement, Cultural Interaction, and Early Maritime Navigation in the Neolithic.** Paper presented at Networks of maritime connectivity in the ancient Mediterranean: Structure, continuity, and change over the longue durée. The Archaeology Centre, University of Toronto. Toronto, Ontario.

2013 September — Batist, Z. **Using network analysis to examine obsidian assemblage variability in Anatolia and Southwest Asia from the Epi-Palaeolithic to Chalcolithic periods (14000 – 5700 BP).** Paper presented at The Future of Historical Network Research Conference. Historical Network Research, University of Hamburg. Hamburg, Germany.

2012 March — Batist, Z. **Eat, Drink and Be Networked: Feasting and Bronze Age Networks.** Invited panelist at the Colloquium on Digital History and the Transnational History of Nursing. Department of History, Carleton University. Ottawa, Ontario.

2022 – present **Personal blog**, zackbatist.info/posts

ACADEMIC SERVICE & AFFILIATIONS

OTHER AFFILIATIONS

2026 – present **Independent Visiting Researcher**, Mila / Québec Artificial Intelligence Institute

COMMUNITY LEADERSHIP

2025 – present **Founder and Coordinator**, Digital Archaeology Maintainathon

2025 Summer **Interim Coordinator** (and member since 2019), Scientific Scripting Languages in Archaeology Special Interest Group (sslarch.github.io). Computer Applications in Archaeology.

2018 – present **Founder and Maintainer**, open-archaeo.info

2022 – present **Community Moderator**, archaeo.social

2022 **Peer Mentor**, UofT Coders Peer Mentorship Program
UofT Coders, University of Toronto

2017 – 2021 **Founder and Coordinator**, Archaeological Information Interest Group
The Archaeology Centre, University of Toronto

2013 – 2014 **Webmaster**, Nexus: The Canadian Student Journal of Anthropology
Department of Anthropology, McMaster University

COMMITTEES

2019 – 2020 **Graduate Student Union Faculty Representative**
Faculty of Information Doctoral Student Association, University of Toronto

2016 – 2019 **Tech Fund Committee Member and Coordinator**
Faculty of Information Doctoral Student Association, University of Toronto

2013 – 2014 **Graduate Student Association Faculty Representative**
Faculty of Social Sciences, McMaster University

CONFERENCE & PANEL ORGANIZER

2026 April **Citational Politics and Practices in Viking Age Archaeology and Beyond**
Co-organized with Julie Lund & Isak Roalkvam. Department of Archaeology, Conservation and History, University of Oslo. zackbatist.info/BibVik/workshop

2023 December **archaeo.social: archaeology in the Fediverse and the future of scholarly social media**
Panel convened for ArcheoFOSS XVII with Joe Roe. University of Turin.

2014 **Second Annual Interdisciplinary Colloquium**
Co-organized with Priscilla Medeiros. Faculty of Social Sciences, McMaster University
